## G-7 Control Surface

The G-7 control surface contains the same input and control panels as the G-6 control surface. For G-7 controls and functions description refer to the G-6 Technical Manual.

The G-7 frame dimensions differ from that of the G-6, as shown on the following page.

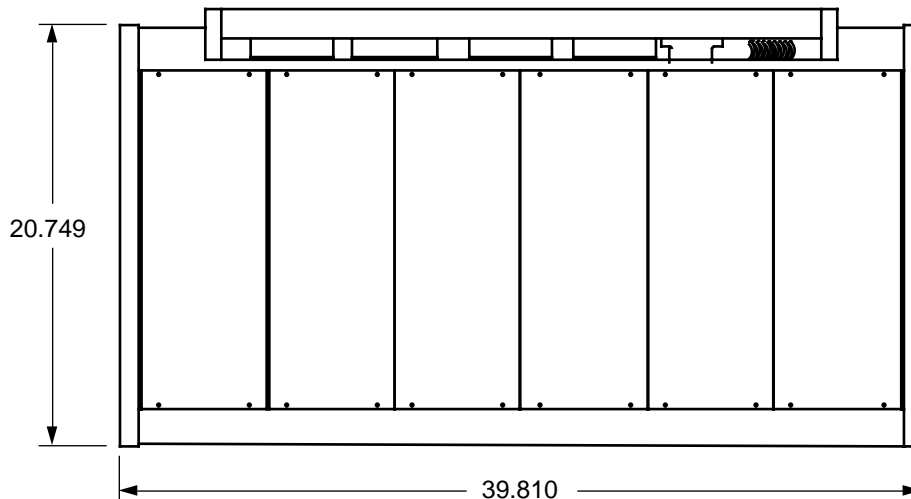

## Control Surface Placement

The G-7 digital audio control surface is designed for simple drop-in installation in a countertop. Cutout dimensions (in inches) are shown in the drawings below for the two available frame sizes.

CUTOUT DIMENSIONS	
16 INPUT FRAME	- 17.25" x 38.00"
20 INPUT FRAME	- 17.25" x 44.25"

**G-7 - 16 FADER INPUT**

**G-7 - 20 FADER INPUT**
